HINDI WITH NEELAM · A LITTLE PRACTICE, TOGETHER

My first Hindi vowels

Point to a letter. Practise its sound with a teacher.
Then write it in the space beside it.

अ a	आ aa
इ i	ई ee
उ u	ऊ oo
ए e	ऐ ai
ओ o	औ au

This is a starter set, not the complete Hindi alphabet. Roman spellings are approximate; ask a teacher to model pronunciation. Try just two letters at a time.
